ABOUT ME

I am Chintan Devka, a dedicated B.Com student (2022-2024) with a strong interest in technology and software development. Alongside my commerce studies, I am developing expertise as a Full Stack Web Developer, with practical experience in HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB. I have worked on live projects, contributing to React development and project management tasks.

EDUCATION

2022-2024

saurashtra university

Bachelor of Commerce (B.Com)

Studied Accounting, Finance, Business Law, and Economics. Worked on academic projects related to taxation and business management.

2021-2022

Bharti Vidyalaya

Higher Secondary (H.S.C.)

Gained foundational knowledge in Accountancy, Business Studies, Economics, which built a strong base for higher studies in commerce.

EXPERIENCE

2025 - NOW

garage management system project

Live Project Contributor (React & Project Management)

- Worked on real-time projects Assisted in React.js
- development and UI improvements Supported project task
- coordination and smooth execution
